About Liberty Foundation

Liberty Foundation was founded in 1993 to support much-needed services for individuals with disabilities and their families that are not funded through state or federal government programs. For a family caring for a child or adult with a disability, the programs provided by Liberty ARC and supported by Liberty Foundation have made all the difference.

We are truly grateful to all of our present and past donors for their support of the people with disabilities who benefit from the programs funded by Liberty Foundation.

This Special Tournament Funds Valued Programs

For over two decades, the community's unwavering support has helped Liberty Foundation provide opportunities and support to the people we serve.

Proceeds from the golf event have gone to support projects like transportation costs for individuals in the supported employment program, and ground level grants for items such as games, outings, ipads, and mobility equipment.

Liberty Foundation has netted approximately \$800,000 over the past 26 years from the golf event, enabling these projects, and others, for Liberty ARC's programs.

Due to the pandemic, Liberty Foundation's 27th Annual Golf Tournament will be held throughout the month of June 2021 at Rolling Hills Country Club, in Fort Johnson, New York. This "Virtual" event allows golfers and sponsors to play and support Liberty whenever is convenient for them. We're planning a full return for 2022. In the meantime, we hope you join us in June to enjoy the course and support a great cause!
