Steven Kroll the recently appointed Executive Director of NYSARC, Inc., visited several Liberty programs for the first time on Thursday. Liberty is the Montgomery County Chapter of NYSARC and one of 48 Chapters serving over 60,000 people with intellectual and developmental disabilities throughout New York State. NYSARC is the largest not-for-profit agency in the US providing services for this population.

During his visit, Mr. Kroll had an opportunity to tour Liberty's art program, the agency's Article 28 health center, New Dimensions in Health Care, and the training and employment program at Liberty Fresh Market.
