About Liberty Foundation

The Liberty Foundation was founded in 1993 to support much-needed services for individuals with intellectual and developmental disabilities and their families, supported by Liberty ARC, that are not funded through state or federal government programs. For a family caring for a child or adult with a disability, the programs provided by Liberty ARC and supported by Liberty Foundation have greatly assisted with this need.

About Liberty ARC

Liberty ARC, a chapter of The Arc New York, was founded in 1957 by parents of children with developmental disabilities who wished to establish special education programs in the local community. For more than 60 years, the organization has provided Montgomery County with top-quality supports and services and has grown to include employment/vocational, recreational, residential, day, family support and health-related services to more than 500 individuals with physical, developmental, intellectual and other disabilities.
