Local Practice, New Dimensions in Health Care Brings In New Dentist Health Center Welcomes Dental Professional with Impressive, Advanced Dental Experience

AMSTERDAM- New Dimensions in Health Care, a not-for-profit health center, serving the Montgomery County community and beyond, announced today that Dr. Mukherjee has joined their dental practice.

Dr. Subrata Mukherjee, DDS, is a trusted dental professional with more than 30 years of experience, much of that with extensive training in oral surgery. Dr. Mukherjee completed an advanced education in general dentistry residency at Eastman Institute for Oral Health in Rochester, NY. Prior to that, Dr. Mukherjee underwent training in oral surgery in the United Kingdom and Ireland and successfully completed the oral surgery board examination of Royal College of Surgeons. He also has practiced privately and owned his business.

“The depth of knowledge and years of experience that Dr. Mukherjee brings to New Dimensions in Health Care will prove to be immensely invaluable,” said Health Center Director Dennis Yacobucci. “Dr. Mukherjee’s background is diverse and rich with a multitude of skills that are needed and much sought after in our community.”

Dr. Mukherjee received his doctor of dental surgery from New York University College of Dentistry. He currently is a member of the American Dental Association, New York State Dental Association, Academy of General Dentistry, Third District Dental Society as well as the International Dental Implant Association.

About New Dimensions in Health Care

New Dimensions in Health Care, Inc. (NDHC) operates a New York State Department of Health Licensed Article 28 Diagnostic and Treatment Center in Amsterdam, New York. Currently, NDHC provides the following services to approximately 6,500 patients in the surrounding community: Primary Care, General Dentistry and Podiatry. Specialty medical services such as Gynecology and Psychiatry, provided by consulting physicians, are available primarily to 860 individuals with disabilities. The health center is a National Committee for Quality Assurance (NCQA) Patient-Centered Medical Home (PCMH) recognized facility.
