THE TIMES UNION NAMES LIBERTY ARC A WINNER OF THE ALBANY TOP WORKPLACES 2020 AWARD

Amsterdam, NY – Liberty ARC has been awarded a Top Workplaces 2020 honor by The Times Union. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#), LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“For more than a decade, the Top Workplaces award has helped organizations stand out among their competitors to attract talent,” said Eric Rubino, CEO of Energage. “This differentiation is more important than ever in today’s tight labor market. Establishing a continuous conversation with employees so you have a deep understanding of your unique culture is proven to help achieve higher referral rates, lower employee turnover, and double the employee engagement levels. No longer is recognition simply a much-deserved cause for celebration, but it’s fast becoming mission-critical to establish a competitive advantage for recruitment and retention.”

“Being designated a Top Workplace for a second year in a row by our workforce is a great honor,” said Jennifer Saunders, Liberty ARC CEO. “Liberty ARC’s culture is one of respect, empowerment, innovation and collaboration; our commitment to this culture is the reason we are receiving this award. Liberty’s outstanding workforce is second to none and we thank them for their valuable input.”
