March 19, 2020

Dear Liberty ARC families,

In an effort to minimize the spread of COVID-19 (coronavirus), The Office for People With Developmental Disabilities (OPWDD) is requiring a temporary suspension of visitation to our residential programs, effective immediately.

We fully recognize the emotional impact of these restrictions on our families, but it is a necessary precaution as we work to minimize transmission of COVID-19 in our community and risk to our staff and the people we serve. In an effort to balance health and safety with social-emotional needs and prevent isolation, we are offering Facetime, Skype, Zoom or phone calls for family members. Your residential manager will be in contact with you to discuss the best options for continued contact for you and your loved one.

The health and safety of the entire Liberty ARC Family remains our highest priority, especially in these extraordinary times. We continue to monitor all guidance from local, state and federal agencies, and will stay in close communication with you about our response as the situation develops.

Community is essential in times of crisis, and we appreciate your support and understanding as we work to sustain our connections in creative ways.

Sincerely,

Jennifer Saunders
