

# SPECIAL COMMUNICATION

**TO:** ALL LIBERTY EMPLOYEES

**FROM:** JENNIFER SAUNDERS, CEO

**DATE:** 08/10/2020

**SUBJECT:** COVID -19 UPDATE

I am very happy to report that we have received test results back for 24 people that either live at or work at Old Trail and all test results are negative. This is a wonderful outcome for the staff and the residents at our Old Trail home. The Department of Health quarantine order ended on Saturday so the official quarantine period is over. Liberty has extended the quarantine for a few days as an added precaution.

I shared on the Friday Town Hall that the staff at Old Trail stepped up when confronted with the news that they had potentially been exposed to COVID. They remained committed to the people we support and to our precautionary measures to ensure their safety and the safety of those in our care. Our sincere thanks goes out to the entire team at Old Trail.

We are committed to keeping you, our employees, informed and up-to-date on any COVID related developments at Liberty ARC. We greatly appreciate your support and dedication to the individuals we support.
