**CHOICES FOR COMMUNITY LIVING  
A WINNER OF THE DELAWARE TOP WORKPLACES AWARD FOR THIRD YEAR IN A ROW**

**Dover** – Choices for Community Living (CCL) has been awarded a Top Workplaces 2022 honor by News Journal Top Workplaces. This is the third year in a row that CCL has received this prestigious honor. The Top Workplace list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“We are so proud of our team at CCL, who deserve every bit of this recognition,” said Jennifer Saunders, CEO of Choices in Community Living. “For the third year running, CCL has been singled out for its culture, positivity, and engagement. This is a great place to work, and when you have a team that is so committed to excellence, it shows in the ways we are able to support the people who receive services from CCL.”

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That's something to be proud of. In today's market, leaders must ensure they're allowing employees to have a voice and be heard. That's paramount. Top Workplaces do this, and it pays dividends.”

“This is a great honor for us and an awesome reflection of our company,” said Katina Scott, Statewide Director of CCL. “The staff here are professional, approachable, and genuinely enjoy what they do – and that atmosphere makes a huge difference. We provide outstanding supports and services to people with intellectual and developmental disabilities in Delaware, and this award is another great recognition of our workplace culture.”
