in Montgomery County

Join Liberty Foundation
for an unparalleled day of golf,
camaraderie, and hospitality
...all for a great cause!

This Special Tournament Funds Valued Programs

For over three decades, the community's unwavering support has helped Liberty Foundation provide these opportunities and so many more...
The Foundation helps individuals to maintain employment in the community by underwriting the transportation costs for people in the supported employment program and day program.

In 2019, Liberty Foundation announced a new grant program called **Ground Level Grants**. Liberty Foundation has committed \$30,000 per year to the program since its creation. Ground Level Grants provides experiences and items that improve the quality of life for people we support and that aren't covered by typical funding streams – things like music lessons, games, transportation, and admissions to attractions.

About Liberty Foundation

Liberty Foundation was founded in 1993 to support much-needed services for individuals with disabilities and their families that are not funded through state or federal government programs. For a family caring for a child or adult with a disability, the programs provided by Liberty ARC and supported by Liberty Foundation have made all the difference.

We are truly grateful to all of our present and past donors for their support of the people with disabilities who benefit from the programs funded by Liberty Foundation.
