## **CHOICES FOR COMMUNITY LIVING A WINNER OF THE DELAWARE TOP WORKPLACES 2024 AWARD FOR FOURTH YEAR**

**Dover** - Choices for Community Living (CCL) has been awarded a Top Workplaces 2024 honor by Delaware Top Workplaces. This is the fourth year that CCL has received this prestigious honor.

This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner, [Energage](#) LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

“It is a great honor being designated as a Top Workplace by our dedicated workforce for the fourth year,” said Jennifer Saunders, CEO of CCL. “We are proud of CCL’s culture, which is one of respect, empowerment, and teamwork, and our unwavering commitment to this culture is the reason we are receiving this award once again. Thank you to our dedicated workforce, who strives each day to provide top-quality supports and services to people with disabilities and their families.”

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces does this, and it pays dividends.”

“At CCL, our workforce is dedicated to the values of teamwork and respect, and we are so proud to have our culture recognized with the Top Workplaces award for the fourth year,” said Katina Scott, Statewide Director of CCL. “Our caring staff comes in every day with such enthusiasm to work together on their common goal of supporting people with disabilities in Delaware to live their best lives.”

### **About Energage**

*Making the world a better place to work together.<sup>TM</sup>*

Energage is a purpose-driven company that helps organizations turn employee feedback into useful business intelligence and credible employer recognition through Top Workplaces. Built on 18 years of culture research and the results from 27 million employees surveyed across more than 70,000 organizations, Energage delivers the most accurate competitive benchmark available.
