Liberty Foundation celebrates two successful fall events

Liberty Foundation had a busy autumn with two fun and inclusive events, Denim and Diamonds BBQ & Country Concert and Electric City Trucks, Taps, Corks, and Forks. Combined the two events raised more than \$62,000.

The Liberty Foundation provides vital programs, services, improvements to homes, and experiences which are not funded through government programs to the people with intellectual and

developmental disabilities supported by Liberty ARC. Liberty Foundation has funded items like memorable trips, including to a New York Yankees game, the Wild Center in Tupper Lake, and the Utica Zoo, medical supplies, a portable miniature golf set, indoor and outdoor furniture, and sensory items with the proceeds of events like these.

The annual Denim and Diamonds fundraiser took place Sept. 27 on the Liberty ARC Campus in Amsterdam.

Around 400 people were in attendance, dancing under the big tent to Skeeter Creek's live performance and enjoying a chicken BBQ dinner.
