

Time for turkey

As a way to thank its employees for their hard work and dedication to the agency before the Thanksgiving holiday, Liberty ARC recently hosted its annual turkey distribution. This year, a total of 950 frozen turkeys were given to Liberty ARC employees in Montgomery and Schenectady Counties. Enthusiastic Liberty ARC employees donned festive turkey costumes and hats during the two distributions. Staff picking up their turkeys also enjoyed listening to Christmas music, snacking on cookies and candy, and sipping hot chocolate and coffee to help get them in the holiday spirit.
